

7<sup>th</sup> May 2021

Dear Parents / Carers,

Due to changes made by the Local Authority it has become necessary for us to change our broadband provider and phone systems. The switch to the new provider will take place on **Thursday 13<sup>th</sup> May 21**, during this day we will not have access to the internet or land line phones. During Thursday 13<sup>th</sup> May we will only be contactable via the following mobile phone number **07930 536167**. Please note we will also not be receiving emails during this day and any emails sent to school will not be picked up until the following day.

As a result of this change in provider we will also have a new school phone number, from **Friday 14<sup>th</sup> May 21** our new phone number will be **01244 667800**. We will ensure this new number is advertised on our website and send out a text message as a reminder.

If you have any concerns or need any further information, please contact the school as soon as possible.

Many thanks,

**Judith McGuinness**  
Headteacher
